From the Rabbi's Desk

Rabbi Jaimee Shalhevet

Around Passover time, I like to take a look at the past year. I know that we usually do this during Rosh Hashanah and Yom Kippur Jewishly, or January first in the secular year, but something about meticulous Chameitz cleaning and spring cleaning for Passover, makes me look back into the past year and take an evaluation. It's not the same kind of soul-searching

I do on the High Holy Days. And it's not the same new years resolutions I make in January. Rather, it's a look back to take account of what I've learned, what I've noticed about the world around me, and the community I call home.

What I have learned about MY community - the North Shore Synagogue community - fills me with joy and hope.

I have learned that our community loves helping the world. Our mitzvah projects are increasing and our attendance at each event is growing. Our group of volunteers is incredibly eclectic, from young children to grandparents, families and individuals, our passion to help heal the world is truly palpable.

I have learned that our religious school children are engaged in their learning. I have witnessed them lead absolutely amazing grade level Erev Shabbat services. Their readings about their thoughts on God, spirituality, and prayers are truly impressive. And when I come in for "ask the rabbi," their questions are so profound and deep, they defy their young age.

I have learned that our youth group is bursting at the seams. Our activities are so memorable and enjoyable that kids are reminiscing about last year and asking "Can we do this again?" about almost

every event. I have witnessed friendships grow through these events with children of all ages who don't get to interact during regular school time. The camaraderie and good sportsmanship I have seen during our Maccabia games warms my heart. And during our Tu B'shevat program, I saw them put their religious school education into good use as they answered questions and excitedly shared with each other their knowledge.

I learned that our life long learning committee is unstoppable. From a book group and meet-the-author that was a huge success, to a scholar in residence who amazed people of all ages, to a powerful movie and discussion. They have also partnered with the Anti-Defamation League to bring us up-to-date info on antisemitism in our country and community and valuable advice on how to combat its growing presence.

I've learned that our services on Friday night reach people of all ages. They make people feel comfortable in their Jewish skin, no matter their practice. I've learned that we can partner with other synagogues nearby and create a larger community of prayer. I've learned that despite what we hear on the news, we have a strong interfaith community that stands by each other.

In the end, this Passover brings me to a hopeful place on the future of North Shore Synagogue and Long Island Jewry. As we clean out the chameitz of our homes, let us clean out the past thoughts of fear and worry with it. We have continued to increase our mark made on the community. We are growing in numbers and influence. We are not just surviving, but we are thriving.

May we only go from strength to strength.

Cantor's Notes
Cantor Steven Hevenstone

Can music enhance memory? Go back to your first experience you can remember of being in a Synagogue. It could be one of the High Holy Days, a Holiday like Purim, Chanukah, or Passover, Religious School, and even Shabbat. What do you remember? When asked that question, my response is always the music, how the prayers were sung. Those melodies touch something deep inside of us. Not only in

the Synagogue do these songs, these melodies resonate, but also from Passover Seders, Chanukah, even in our secular lives.

From our early years we all remember the melody to the “A, B, Cs”; “Itsy Bitsy Spider”, and others. Many of those melodies have made it into our Prayers. Those melodies continue to resonate with us every Shabbat and Holiday.

“Since earliest times, music has universally been a part of G-ds creatures’ worship of their Creator. From the very beginning of our national existence, the worship pf G-d with Prayer and sacrifice has been accompanied by music (noted in Exodus 15: 12, 20) and music played an important part of the Temple service as well.” (source: A Guide to Jewish Prayer pg. 370) In Chronicles, David commands the priests to sing to the Lord with instruments of music, with trumpets and cymbals and harps.

“Sing to G-d a new Song...” (Psalm 96) The sounds and tones of music weave through Jewish life as a thread through a tapestry. This tapestry is rich and vibrant, much like Joseph’s coat of many colors. But instead of colors, we have tones and harmonies which can lift us up and raise our spiritual identity, helping to fill us with sweet sounds. We only have to listen, and let ourselves be carried away by these sweet sounds.

Growing up going to Shul I would look forward to attending services along with the Cantor and the Congregation. There truly was and still is something very spiritual that happens when we all join together singing the prayers. That sense of our community, not only

here at North Shore Synagogue, but the entire Jewish community coming together through the words of our Prayers utilizing music. Sometimes our melodies differ slightly from Synagogue to Synagogue. Sometimes the melodies might be completely different. However the result is still the same, as we join together in song. Our spirits are lifted, and no matter how you enter our Friday night service, our joyous praise lifts us all up.

“Clap your hands, all peoples!...” (Psalm 41) Today, many of the melodies for our prayers represent our differing cultures, blending together different musical Minhagim (traditions). Throughout our services here at North Shore Synagogue you can hear the Ashkenazic melodies which many of us grew up with. You can also hear strains of Sefardic melodies. There are also the melodies from Contemporary Composers like Debbie Friedman (z”l), Dan Nichols, Rick Recht, and many others. Etz Chaim, which we sing prior to the closing of the Ark at the end of the Torah Service, is sung to the melody of HaTikvah. And as stated above some nursery rhyme music has entered our services, or is it Mozart?!

Many times we introduce new melodies into our services. These melodies might take a little bit to grow on us, but those melodies bring a fresh perspective on the Prayer.

Our music is another way we represent L’dor Vador – Generation to Generation. We pass on these melodies to our children and others, and the next generation takes those melodies to heart. As each generation grows into those songs, many come up with new melodies for the Prayers, taking their own personal perspective and becoming a new part of the tapestry of song. “Make music to G-d... with trumpets and the blast of the ram’s horn ...! (Psalm 98)

Whether you’ve had a good week or one of challenges, come join us on a Friday night this summer and experience 60 minutes of food for your soul. Who knows? Maybe you’ll be humming all week! May we all continue to be a part of that musical tapestry that is our tradition, new and old.

A Message from the President

Sondra Cardno

It's hard to believe that my two year term as president is coming to an end on June 30th. It has truly been an honor and privilege to serve as president of North Shore Synagogue. I'm so proud of all we have accomplished and I look forward to all the wonderful things ahead as we welcome a new president on July 1st.

Many past presidents told me that each presidency had its share of challenges,

yet also included many joyous moments, and I will absolutely agree. During my time in this role, we as a congregation grew closer, coming together to support one another, and the surrounding community, while coming to terms with the atrocity on October 7th. We dealt with bomb threats to our building and anti-Semitism in our neighborhood schools and workplaces. We built a strong foundation as being a place where all could come and practice as much or as little of Judaism as we wanted, all while finding something that could connect us to the Jewish community. Our youngest have every opportunity to learn and grow, our older students continue along their Jewish journey preparing for a future B'nei mitzvah and adults enjoy educational classes and programming. Opportunities to participate in mitzvot, making sandwiches and packaging toiletries on mitzvah days and preparing meals for the homebound on Thanksgiving morning. Worship experiences from tot Shabbat, family Shabbat and regular Friday night services to Torah study and prayer on Shabbat morning and classes with the clergy. Celebrating holidays together at Erev Rosh Hashanah dinner and the 2nd night of Passover seder open to the community. Our seniors stayed engaged and connected with old friends at our Senior Friendsgiving and senior brunches. We sang and danced at summer concerts in the parking lot, ate a ton of food at the welcome back BBQs and spent time with our families during bowling and bingo nights.

In the role of synagogue president, you often receive kudos when things go well and other times, constructive feedback. I'm fortunate

to say there were many compliments. I was supported by a talented team whose every goal was for North Shore Synagogue to be the place where all are welcome, and we watched as our membership grew year over year, and I can't thank them enough for their support and partnership. None of the wonderful opportunities we have could take place without the leadership of our amazing clergy, Rabbi Shalhevet and Cantor Hevenstone, as well as the energy and creativity of our incredible Executive Director/Religious School Principal Jacquelynn Golub and our wonderful nursery school director Jacqueline Sanchez. This team works together daily to ensure our synagogue is safe, welcoming to all, and provides opportunities for worship, education and comradeship. I'd be remiss if I didn't include our maintenance staff, Raul and Luis, who handle all of the cleaning and upkeep and always offer a hello and smile when you see them, and a special thank you to our security team, Joe, Matt and Terrance, who have become part of our synagogue family.

Behind the scenes, the Board of Trustees volunteer their time to share their thoughts and opinions, and make decisions to ensure the financial stability of our synagogue. They work together on committees to plan programming for the future while keeping the interests of you, our congregants, at the forefront. I truly appreciate all of the time our lay leaders dedicate to ensuring our synagogue is here for you, and the community, and thank them for their support of our goals.

So while I leave the title of president behind, I think of some of the challenges we faced, and how we overcame them, and how we worked to continue building this wonderful synagogue family. You'll still see me around the building, helping out in the religious school office on Sundays and collecting raffles for the Purim carnival and summer outing fundraiser. I look forward to welcoming in our next president and seeing all of the wonderful things ahead for North Shore Synagogue.

Mazel Tov to our B'nei Mitzvah

Hello, my name is Mason Fink. I go to POB Middle School and I am in 7th grade. I am going to be a Bar Mitzvah on April 26, 2025. My mom is Alissa Fink. I have a 6 year old brother named Andrew. I sadly lost my dad in December after a long illness. I really know how important becoming a Bar Mitzvah was to him. Sadly he can't be here, but he can be in memory and I know he would be proud! I have one set of grandparents Michael and Glenda Fink. I enjoy playing games and spending time with family.

For my Mitzvah project, I volunteered at a local animal shelter. I wanted to do this because animals are cute and fun to play with. I wanted to do this for my project because I like animals and they need more attention, especially at shelters. My favorite Jewish holiday is Hanukkah because of the story and how it lasts 8 days. I like spending that time with my family. My favorite Jewish food is challah because I like the taste. To me, becoming a Bar Mitzvah is being an adult and being more responsible for myself and my actions. In the eyes of Judaism I am not a kid anymore, I am more responsible and mature.

Hello! My name is Jordyn Kenner. I am in 7th grade and attend HBT Middle School. I am going to become a Bat Mitzvah on May 3, 2025. My parents' names are Douglas and Amy Kenner and I have a brother named Drew. My grandparents are Hilary and Arthur Friedman and Martin and the late Elizabeth Kenner. I enjoy being with my family and friends, playing soccer, cheering and volunteering.

Instead of doing one mitzvah project, I have tried to get involved volunteering for as much as possible. I have packed both birthday boxes and breakfast packages for children in need. I have created artwork for seniors. I participated in a bake sale to help those affected by the California Palisades fire. I have participated in a couple of the NSS Mitzvah events and I have recently created an Instagram account where I post daily motivational quotes for teens. My favorite Jewish foods are matzoh brei, matzoh balls, challah and latkes. I love all the Jewish Holidays because I get to celebrate with my extended family. To me, becoming a Bat mitzvah means that I am responsible for my actions, choices and how I contribute to the world.

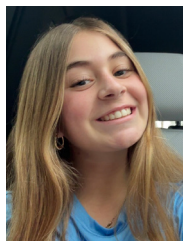

My name is Jordan Eli Adelman. I am in 7th grade and attend Plainview-Old Bethpage Middle School. I am going to become a Bar Mitzvah on May 10, 2025. My mother's name is Robyn Adelman. I am an only child, but I have lots of half-siblings including Henry, Stella, Mia, and Lila. I have 2 cousins, Kaiya and Grayson Adelman. My grandparents are Harold (Hank) and Karen Adelman.

I enjoy playing the tuba, participating in Boy Scouts, playing video games, and cooking. For my mitzvah project I volunteered at the Ronald McDonald House with the synagogue and I am raising money to donate to the children and families that stay there. My favorite Jewish food is Latkes and my favorite Jewish holiday is Chanukah because I like playing Dreidel. To become a Bar Mitzvah to me means becoming an adult.

Hello my name is Addison Steerman. I am in 7th grade and I go to South Woods Middle School. I am going to become a Bat Mitzvah on May 17, 2025. My parents are Jaimee and Charles Steerman and I have a younger sister Zoe Steerman. I have 3 grandparents Susan and Paul Steerman and Ellen Schifrin. My bunkie who I miss very much passed away when I was six years old.

I enjoy dancing, spending time with family and friends, and going skiing in the winter with my family. I also love going to the beach, water skiing and swimming. I play tennis and volleyball in and out of school. I like to paint and draw as well. My favorite Jewish food is matzah ball soup. My favorite holiday is Rosh Hashanah. These are my favorites because I love having matzah ball soup when I am sick and when we have family dinner on Jewish holidays. I love Rosh Hashanah because to me it symbolizes new beginnings which is always nice. To become a Bat Mitzvah means that I am becoming a young adult and it shows all of the hard work we all have put in to become B'nei Mitzvahs, and that is what really shows.

Hello my name is Emma Trampusch. I am in 7th grade and attend South Woods Middle School. I am going to become a Bat Mitzvah on June 7, 2025. My parents' names are Stefanie and Jim Trampusch and I have a brother, Ethan. I have four grandparents and their names are Neil and Iris Silver and James and Rosemary Trampusch.

I enjoy playing volleyball, basketball, lacrosse, going to sleepaway camp, traveling and hanging out with my friends. My favorite Jewish foods are matzo ball soup and latkes and my favorite Jewish holiday is Chanukah, because I love opening presents! To become a Bat Mitzvah to me is embracing the Jewish religion and to be proud of who I am as a Jew.

Nursery School News

Jacqueline Sanchez, Director

The Nursery school children had a very busy winter. Even though we did not get a lot of snow we enjoyed many winter activities. Our favorite was Hibernation Day! After learning about hibernation, migration and adaptation the children celebrated all they have learned on Hibernation day. The children came to school in their pajamas with their favorite stuffed animals. They enjoyed cupcakes with teddy graham bears hidden inside. The most exciting part of the day was going on a bear hunt through the school. We followed four clues and found four different types of bears. They were hiding on the playground, in Miss Jacquie's office, in the gym and in their classroom! We took many pictures during our Bear Hunt to share with our families. The children also learned under what conditions ice freezes and melts. Some classes brought snow inside on the day it snowed and put it in their sensory bins for the children to play with. Many classes learned about arctic animals. The children learned about where arctic animals live and how arctic animals love the cold weather.

The children are looking forward to the arrival of spring. A few warm days at the end of February helped add to the anticipation. We were excited to be able to play on the playground, there was even some snow left for the children to observe before it melted away.

We loved celebrating Tu B'Shevat and learning about the importance of trees and the many fruits they give us. We had a Seder in our classrooms and enjoyed fruits and juice to represent each season. Our Purim party was so fun! The children loved hearing the story of Purim. We also learned many Purim songs

that we sang to our families at our Purim Party. The children enjoyed creating many crafts such as masks, crowns, groggers and baskets to use during our celebrations.

On February 14th the UPK students celebrated being 100 days smarter. The parents came to school to participate in 100th day of school activities. They helped build with 100 cups, stamp out 100 dots, sort 100 buttons and the best of all participate in doing 100 different exercise moves. It was a fun day. All the parents were impressed with how much we have learned in 100 days.

March is Read Across America month. The children spent the first week of March celebrating the love of reading with the help of Dr.

Seuss. Each day of the week was a new theme. We had hat day, crazy sock day, Wacky Wednesday, our favorite color day and pajama day. These themes all coordinated with a Dr. Seuss book. To culminate our month dedicated to the love of reading we held our annual Book Fair in the gym. The book fair was open in the evening so all our families had the opportunity to shop. To help decorate the gym the children's art work hung on the wall for everyone to admire! It is always so exciting to see our families after school

The end of our school year is just around the corner. We will have many exciting events to look forward to along the way. In April we will celebrate Passover, May we plant flowers in our classroom flower boxes and in June there is Truck Day and the Pre-K graduation!

Religious School & Youth Programming

Jacquelynn Golub and Cantor Steve

Our Religious School has been busier than ever and in just a few short weeks another year will come to an end. The month of February brought us learning about Tu B'Shevat, as together we planted parsley to grow for Passover. March was filled with learning the story of Purim, watching our children put on a Purim shpiel, and participating in our annual Purim Carnival. The smiles and enthusiasm were contagious, as children were jumping on the inflatables, shooting baskets, racing down slides, playing games, making sand art projects, eating cotton candy, popcorn and so much more.

As we enter into April, we will be journeying our way through the Passover Seder while exploring the story of Passover and connecting to our homeland Israel while learning about Yom Ha'Atzmaut. In addition, our children continue to find meaning through prayer whether in the classroom or at T'fillah with Rabbi Shalhevet and Cantor Hevenstone or at Family Shabbat Services. We are so lucky to have clergy engaged and invested in our children's Jewish education. On any Sunday morning you can walk into our school and see the Rabbi and Cantor greeting our families. If you walk down the halls during Religious School, you will hear our youngest children singing the Alef-Bet, while our

oldest are mastering their letters, vowels and prayers, and playing Hebrew games.

As our children reach seventh grade their learning all comes together as they practice leading the prayers to get ready for their B'nei Mitzvah. Our family day programs are just another wonderful way for our parents, children, and clergy to learn together and form a closer connection. Each grade this year had a different theme. We explored Shabbat, G-d, and Torah in fun interactive ways. We will be ending our school year in just a few short weeks and our children will be showing us some of what they learned at our Youth Celebration Shabbat BBQ and Service.

Join together on May 16th for a BBQ at 6:15 PM followed by a Family Shabbat Service at 7:30 PM, that your children will be leading. Please support our children, teachers, staff and each other by attending this service and hearing from our children who have worked so hard throughout the year. My door is always open and I am here to answer any questions you may have! I Hope you and your families enjoy the rest of this wonderful spring weather!

Sisterhood Scoop

Janet Cohen, Carol Fisher, Donna Gelber, Sisterhood Co-Presidents

Sisterhood is having an exciting and busy year! In December, we brought joy to the Ronald McDonald House by donating bags of toys for children of all ages. A big thank you to everyone who contributed – your generosity made the Holiday Season brighter for many kids. In January, we held a wonderful Rosh Chodesh program, led by Rabbi Shalhevet. We had a great turnout, and the evening was both fun and educational. We explored the Havdalah service and had the chance to create our own spice bags to take home.

As Purim approaches, we are excited for our annual fundraiser—sending Mishloach Manot bags. Keep an eye on your email for details and be sure to order bags for other congregants. These bags will be filled with delicious treats, including hamantaschen, and will be available for pickup at the synagogue.

Mark your calendars for our signature event: the Women's Seder on April 9. It promises to be a spiritually meaningful and fun evening, complete with a delicious meal from our caterer. Then, on May 1, join us for a Spring event – a cooking class at What's Cooking on Main Street in Oyster Bay. We will prepare and enjoy a delicious Mediterranean dinner. Space is limited, so be sure to register when the flyer comes out. We look forward to seeing many of you at these exciting events! As always, thank you for your continued participation and support.

Lifelong Learning Corner

Susan Kopech Committee Chair

The Lifelong Learning Committee (“LLC”) was proud to launch its Book Club on January 26, with Hilari T. Cohen, author of the book *The Wick And The Flame*, discussing her book and leading a very engaged, well attended Q&A.

On January 28, for Holocaust Remembrance Day, LLC hosted the screening of the film, “The Devil’s Confession.” We listened in horror to Adolph Eichmann’s voice, retelling his diabolical plan to murder all European Jewry, juxtaposed with his denials during his trial in Israel! Rabbi Shalhevet led a wonderful discussion following the film!

Through June, LLC presented and will present varied offerings for Religious School students and adults of all ages:

- February 29 through March 2, Scholar in Residence Weekend, honoring NSS’ Lifelong Learners at Shabbat services, with a sermon by, Dr. Alyssa Gray. Talmud Study, March 3, during Torah Study, and a program for Religious School students and their parents, in a.m. March 4, all led by Dr. Gray.
- March 23 at 7 pm, Zoom only, “Recognizing and Confronting Antisemitism in Online Gaming & Social Media,” an ADL Center for Technology and Society- led program: you may be surprised to learn what your children are exposed to every day online.

- March 30, 10 am, LLC’s second Book Club offering, *Freedomland U.S.A.: The Definitive History* by Michael Virgintino, who will be on hand to fill us in on its fascinating history.
- May 4, come to a screening of “Israel Swings for Gold,” the uplifting documentary about the first Israeli baseball team to make the journey to the 2021 Olympics! Q&A with the manager and coach of the team to follow. An athletic event will follow at the end of Religious School with the students and U.S. Israel Baseball professionals. Bagels and light snacks to be served. Co-hosted by LLC and Brotherhood.
- May 7, local Plainview author, Brad Kolodny, will be on hand to discuss his book, *Seeking Sanctuary*. Attendees last year were mesmerized by his firsthand account of, *The Jews of Long Island: 1705-1918*.

ALL ARE WELCOME! Please join us for all or any of these events! Watch our weekly space in “Happenings” for more information and other exciting opportunities to schmooze and learn b’yachad, together!!!

Ronald McDonald House Mitzvah

On Sundays, February 2nd and March 30th, congregants of all ages came together to prepare and cook 50 meals for families who were staying at the Ronald McDonald House while their children were patients in the Cohen Children's Hospital (part of Long Island Jewish Hospital) in Queens. The menu consisted of making beef tacos, preparing salad, baking chocolate chip cookies and brownies. Everything was completed within two hours and put out for the families to take as they came back from the Hospital. It was a very successful mitzvah and all of the families were very thankful to have a ready cooked meal.

Mitzvah Monday

Our New Initiative started in February 2025, where on the first Monday evening of the month from 6:30 to 7:30 PM, congregants will have an opportunity to do a mitzvah; including make cheese or peanut butter/jelly sandwiches, and/or assembling wash-up kits, dental kits and snack kits for those in need.

Upcoming Mitzvahs

Mark your calendars for April 7, May 5th and June 2nd from 6:30 – 7:30 PM to join this fun and worthwhile mitzvah!!

In addition the next Orchard Estates Assisted Living visit is on April 11, please watch for details on other mitzvahs that will also take place in April, May and June.

Interested in Participating?

Interested in participating in our Mitzvah Committee and helping with our many mitzvahs? Please contact the Mitzvah Committee through our Main Office.

Visit to Orchard Estates

Our visit to Orchard Estates Assisted Living in Woodbury was on Sunday March 9th, we brought Purim to the residents at Orchard Estates Assisted Living. The children attending helped to decorate graggers with the residents and shared hamantaschen with them. Rabbi Shalhevet and Cantor Hevenstone sang songs along with the children, and guitar playing by Cantor and mitzvah student Bradley Zelniker. In addition to the main residential area, we also visited the memory care unit and sang songs for the residents there. Thank you to our Executive Director Jacquelynn Golub and the mitzvah committee for planning this wonderful mitzvah. It was a wonderful experience to see the smiles on the faces of the residents as we brought the celebration of Purim to the assisted living community.

We will be reading a variety of different themes and genres throughout the year.

We are excited to be joined by author Meryl Ain in May to discuss her book

SHADOWS WE CARRY

May 18, 2025 | 10:00 AM

Sequel to the award-winning post-Holocaust novel "The Takeaway Men"

Shadows We Carry follows Bronka and JoJo Lubinski as they find themselves on the cusp of momentous change for women in the late 1960s. With the United States in the grip of political and social upheaval, the twins and a number of their peers, including a Catholic priest and the son of a Nazi, struggle with their family's ancestry and how much influence it has on their lives. Meanwhile, both young women seek to define their roles as women, and as individuals.

We will enjoy a presentation and robust discussion together.

* The book is available at local libraries and on the Libby system

Mitzvah Day

On Sunday, January 12, 2025, over 100 volunteers of all ages came to participate in Mitzvah Day! Ten different stations were set up including sandwich making, cookie baking, assembling wash-up, dental and snack kits, making birthday boxes, decorating pillowcases, filling zip loc bags with detergent, stuffing teddy bears, and assembling no sew blankets. Everyone worked together effortlessly to complete all of the above mitzvahs in an hour and one half. The excitement was felt throughout the Youth Lounge. Everything was delivered to various soup kitchens, homeless shelters, outreach centers and food pantries, all throughout Nassau, Suffolk and Queens and was greatly appreciated by the organizations that received the donations. Thank you to all you participated in this worthwhile mitzvah. It was truly a wonderful Synagogue event!

Mitzvah Monday

February 3rd was our first Mitzvah Monday and approximately 1000 American cheese sandwiches were made in one hour! We had over 50 volunteers and many of them were our younger congregants who really enjoyed helping to do this wonderful mitzvah. One half of the sandwiches were delivered to the Mercy Soup Kitchen in Wyandanch and “Life’s Angels” delivered the other half to a homeless shelter in Queens.

On March 3, our second Mitzvah Monday was held and like the first one, it was a wonderful success. Once again, we had over 50 volunteers preparing cheese sandwiches and all of the sandwiches were donated to organizations helping those in need.

Family Bowling

On Sunday, January 26th our North Shore Synagogue families enjoyed an afternoon of bowling at Syosset Lanes. Rabbi Shalhevet, Cantor Hevenstone and our Executive Director Jacquelyn Golub joined in the fun and gave lots of high fives as pins were knocked down for a strike. Kids loved the arcade and enjoyed eating pizza and cake. It was wonderful to see so many smiles and hear the laughter of kids and parents enjoying time together. Join us next time as we strike up more fun!

Hockey Game

A great evening was had cheering on the Israel Elite Hockey League for their first ever appearance in the USA at UBS Arena for the USA Challenge Cup.

NOSHTY Events

Our NOSHTY Youth Group friends celebrated and learned about Tu B'shevat by having a Birthday Party for the Trees. Together we created our own edible trees and learned about the special foods that we eat on Tu B'shevat. For Purim we learned to bake our favorite cookie, hamantaschen. We learned why we shape our cookie into a triangle. The best part was filling our cookies with jelly, chocolate, sprinkles, and marshmallow and baking them enjoy.

Dueling Pianos

A great night was had at our Dueling Pianos Bar Night! Wonderful entertainment, delicious food and drinks, lots of raffles, and an evening with great friends. We even had a special appearance by the clergy on piano. Thank you to The Flying Ivories and The Standard at North Shore Synagogue for a great event.

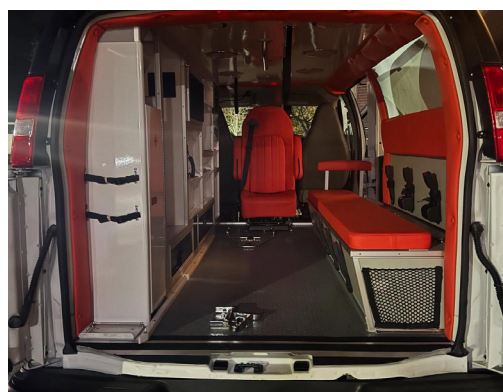

Purim Carnival

Israel Benefit Cantorial Concert

Thank you to everyone who came out to support our Israel Benefit Cantorial Concert raising money for Magen David Adom in order to purchase an ambulance for Israel. Thank you to all of the clergy and musicians that shared their talent and beautiful voices with us. Thank you to Fran and Larry Raxenberg for partnering with us and helping to raise money to purchase the ambulance. It was an amazing evening and was only possible because of all of you. Am Yisrael Chai!
